

onehome™

By CoreLogic®

Welcome!

This launch kit is for the exclusive use of our multiple listing clients. It's designed to give you the resources you need to promote the **new Agent Portal feature in OneHome** to your members/subscribers.

OneHome Agent Portal Description

OneHome™ has just released an exciting new feature called **Agent Portal**! This will allow agents to preview what clients see when they visit OneHome, helping you collaborate with clients better than ever. You can view a **dashboard** of all your OneHome contacts, **recommend** properties to clients directly, and **preview** properties they've considered, favorites, saved searches, their progress in the Planner, and more.

OneHome™ has just released an exciting new feature called Agent Portal! This will allow you to preview what clients see when they visit OneHome, helping you collaborate with clients better than ever.

- View a **dashboard** of all your OneHome contacts
- **Recommend** properties to clients directly

- **Preview** properties clients have considered, favorites, saved searches, their progress in the Planner, and more

The new OneHome Agent Portal works on desktops and mobile devices for maximum efficiency both in the office and on the go. You can access your agent portal through:

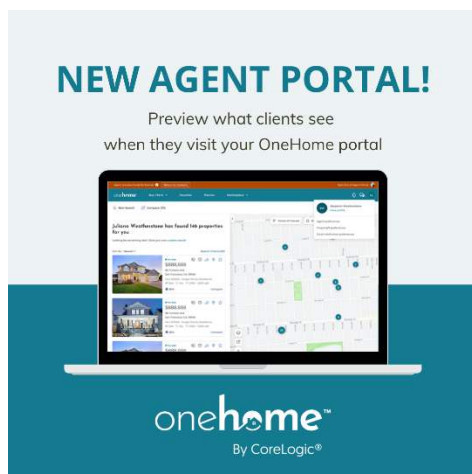

- Agent preview mode / BCC'd emails
- A link on the Matrix contact details screen
- OneHome Agent Portal tile on the Clarity Dashboard
- Visiting agent.onehome.com
